

Draft Preliminary Concept: Concept B - Neighbourhood Centres

--- Study Boundary	Public Parks	Existing Private Lots
Existing Roads	Low Density Residential Area	(CU) Community Use (ex. Library, Community Centre, Art Gallery, Municipal building, etc.)
Proposed Collector Roads	Medium Density Residential Area	(HS) High School
* Potential Crossing Required	High Density Residential Area	(S) Elementary School
Proposed Trail Linkages	Neighbourhood Commercial Area	(SWM) Approximate location of Stormwater Management Facility
Natural Heritage System	Main Street Area	
Linkage (To be determined)	Major Commercial/Residential Area	
Regional Storm Floodlines	School	

Note: Stormwater Management facilities will be determined as more work is to be done exploring other technologies and green infrastructure.
