

Draft Preliminary Concept: Concept C - Main Street/Neighbourhood Centres

- | | | |
|-----------------------------|-----------------------------------|--|
| --- Study Boundary | Public Parks | Existing Private Lots |
| Existing Roads | Low Density Residential Area | Community Use (ex. Library, Community Centre, Art Gallery, Municipal building, etc.) |
| Proposed Collector Roads | Medium Density Residential Area | High School |
| Potential Crossing Required | High Density Residential Area | Elementary School |
| Proposed Trail Linkages | Neighbourhood Commercial Area | Approximate location of Stormwater Management Facility |
| Natural Heritage System | Main Street Area | |
| Linkage (To be determined) | Major Commercial/Residential Area | |
| Regional Storm Floodlines | School | |

Note: Stormwater Management facilities will be determined as more work is to be done exploring other technologies and green infrastructure.
