Halton Hills... a premier collaborative choice for sustainable growth.

First Gulf has developed over one million square feet for both investment and medium-sized manufacturing operations. Halton Hills has been a valued partner in the design, development and building process on all our projects.

David Carreiro, Executive Vice President, First Gulf

Our company purchased an existing industrial building and excess lands in Halton Hills with the intent to maximize the size of the building and create additional value for our investors. We set out to add 105,000 square feet quickly to the existing building and we worked in partnership with Halton Hills to achieve our schedule. We received unsurpassed professional service from the Town.

Christian Taylor, Director of Development, Kingsett Capital

The GTA

The Greater Toronto Area (GTA) continues to be the economic engine for Canada. With more than 6 million residents and a labour force in excess of 2 million people, it is the largest and most diverse consumer and commercial/industrial marketplace in the nation. Halton Hills is strategically located to not only serve the local market but also over 125 million Americans that are within a one day drive.
