BE A RESPONSIBLE PET OWNER

Protect your pet and prevent dog bites!

- Leash your dog at all times when in public
- License your dog
- Clean up after your dog

You could be subject to a **\$100.00 fine** for failing to comply with these by-law regulations.

Dog attacks and/or bites occur most often when dogs are off leash.

Under the Dog Owners Liability Act, individuals will face charges for failing to prevent their dog(s) from biting or attacking another dog or individual. The Court can issue large fines and an Order placing controls on a dog, such as the use of a muzzle in public or euthanasia for more serious incidences.

Call Canine Control at **(905) 877-6235** to report any dog attack and/or bite incidences.
