

MAYOR'S MESSAGE

It is my pleasure to present the 2017/2018 Fall & Winter Activity and Service Guide with activities, programs and services for all ages. There are many ways to adopt a healthy lifestyle for yourself or your family, whether it's your child's first swimming lesson or enjoying friendly companionship in retirement. Looking to get outdoors? The Town of Halton Hills has many beautiful parks, trails, sports fields and playgrounds.

I am excited to see the launch of the "Active Easy" program this year, a public engagement initiative that strives to make active choices the easy choices. Knowing that inactivity is hurting our health and well-being, the Town has a goal of removing barriers and creating opportunities to be active every day. To learn more about Active Easy or to get involved, visit haltonhills.ca/activeeasy.

In response to public interest to be more involved in Town projects, we are excited to launch our new engagement platform "Let's Talk Halton Hills". This dedicated website provides an online space where residents can connect with Town staff on major Town projects to ask questions, share ideas and stories, interact with other residents and more. Register today and join the conversation at: letstalkhaltonhills.ca.

As the most patriotic Town in 2017, let's take pride in our sense of community! I encourage you to get to know your neighbours, be active and friendly, and enjoy the wonderful place we live.

Mayor Rick Bonnette
