**AMENDMENT NO. 22 TO THE OFFICIAL PLAN
OF THE TOWN OF HALTON HILLS**

The attached text constitutes Amendment No. 22 to the Official Plan of the Town of Halton Hills, which was adopted by the Council of the Town of Halton Hills in accordance with the provisions of the Planning Act, 1990. R.S.O., c. P.13, as amended;

THE CORPORATION OF THE TOWN OF HALTON HILLS

MAYOR – R. Bonnette

CLERK – S. Jones

PART A – THE PREAMBLE

PURPOSE OF THE AMENDMENT

The purpose of this Amendment is to implement the recommendations of the Mature Neighbourhoods Character Study, as outlined in Report No. P&I-2017-00XX. This amendment predominantly addresses policies and definitions related to new housing, replacement housing, additions, and alterations in the mature neighbourhoods of Georgetown and Acton.

LOCATION AND SITE DESCRIPTION

The lands affected by this Amendment generally include all lands within the Town of Halton Hills, as the proposed amendment contains policies and definitions that apply to all lands within the Town. However, policies and definitions in this amendment that are specific to Mature Neighbourhood Areas only apply to certain areas of Georgetown and Acton within the LDR1 zone, as identified in the implementing Zoning By-law Amendment.

BASIS OF THE AMENDMENT

The Town of Halton Hills is currently experiencing the issue of large scale residential rebuilds in its mature neighbourhoods, often referred to as “monster homes”, which has raised public concern about the character and integrity of the Town’s mature neighbourhoods. In response, the Mature Neighbourhoods Character Study was initiated in May 2016 to examine whether the regulatory framework of the Town’s Zoning By-law is effective in maintaining the character of mature neighbourhoods, and propose recommendations for amendments if necessary.

Over the span of the three phases of the Mature Neighbourhoods Character Study, the Study has engaged the public in a number of consultation events, each of which was attended by over 30 members of the public. This public engagement has guided the Study to ensure that its recommendations address the concerns of the public and the issue of new housing, replacement housing, additions, and alterations that are not compatible with the character of the Town’s mature neighbourhoods.

Through the Study, staff have identified a number of amendments to the Town’s Official Plan and Zoning By-law that are necessary to better address new housing, replacement housing, additions, and alterations in the mature neighbourhoods of Georgetown and Acton. These amendments are reflected in this Official Plan Amendment, and the implementing Zoning By-law Amendment.
