NOTES:

PROVISIONS:

Act means the Planning Act, R.S.O. 1990, c. P.13, as amended, including all the Regulations enacted thereto;

Applicant means any owner of land or their authorized representative applying for a development application, or person requesting a service as outlined in this By-law;

Council means the Council of the Corporation of the Town of Halton Hills;

Commissioner of Planning & Sustainability means the Commissioner of Planning & Sustainability or their designate, and the Managers of Development Review and Policy;

Person includes, a company, a corporation, a partnership, or an individual person, and the singular shall include the plural; and

Town means The Corporation of the Town of Halton Hills.

(1) The Commissioner of Planning & Sustainability shall:

(a) be responsible for the administration of the Planning and Sustainability Fees;

(b) determine the appropriate application of any Planning and Sustainability fees described or set out in the Town's Rates and Service Charges By-law or Schedules to this By-law; and,

(c) ensure compliance with provincial legislative requirements, including but not limited to, completing and submitting any required filings and documentations on behalf of the Town to satisfy approval and requirements under the Act.

(2) The Commissioner of Planning & Sustainability may:

(a) make regulations and impose conditions deemed necessary for any application submitted;

(b) define and determine the appropriate category upon which any application is submitted;

(c) vary or reduce any Planning and Sustainability fees normally required in this By-law.

(3) The following rules apply to the reduction of Planning and Sustainability fees:

a) The Commissioner of Planning & Sustainability may, in the interest of economic development, reduce any Planning and Sustainability fees by 50% (fifty percent) for;

i. Federal, provincial, regional and local governments;

ii. public boards and agencies;

iii. medical offices, private institutional or quasi-institutional uses such as non-profit special needs housing;

b) The Commissioner of Planning & Sustainability shall reduce any Planning and Sustainability fees by 50% (fifty percent) for;

i. industrial, commercial and office uses in the designated industrial areas of Acton or Georgetown, or the 401 Employment Industrial Area excluding major retail uses in the 401 Corridor Gateway and retail uses in designated industrial areas otherwise not permitted in the Town's Official Plan.

c) Any planning application and processing fee may be appealed to Council.

(4) Every person applying for a development application or service as outlined in the Act:

(a) complete and submit the applicable form(s) as may be provided from time to time by the Commissioner of Planning & Sustainability;

(b) submit the fee as set out in the Town of Halton Hills Rates and Service Charges By-law or varied by Schedules in this By-law; and

c) provide all documentation as required under the Act and this By-law.

**PLANNING**

The Commissioner of Planning & Sustainability has the authority to determine the planning application fees in this By-law including, but not limited to, Minor, Standard, and Major Application fees and any additional fees further outlined in these "Notes".

1. The Commissioner of Planning & Sustainability may grant a lesser fee listed in this By-law where cost savings are identified due to: consolidated application processing; or the application pertains to Industrial uses as directed by Council; or other matters as outlined in Report PD-2006-0061. Applicants requesting payment of a minor processing fee for an Official Plan Amendment, Zoning By-law Amendment, Subdivision, Condominium, or Site Plan must attend a preconsultation meeting with Town and Region staff and/or must prove that the processing cost of the applicant's complete application will be significantly less than that in the Town Standard processing fees as further explained below.

2. Any Part Lot Control By-law application that proposes to create more than 50 Buildable Lots/Blocks or Units or applies to a gross area greater than 5 ha. (10 acres) will be deemed a Major PLCB application (\$6,774).

3. Any Subdivision application that proposes to create more than 50 Buildable Lots/Blocks or Units or applies to a gross area greater than 5 ha. (10 acres) will be deemed a Major SUB application (\$62,107).

4. Any Condominium application that proposes to create more than 50 Buildable lots/Blocks or Units or applies to an area greater than 2 ha. (5 acres) will be deemed a Major CDM application (\$43,510).

5. Any Site Plan application that proposes to create more than 50 dwelling/units; or more than 9,290 sq.m (100,000 sq. ft.) gross floor area; or applies to a gross area greater than 2ha (5 acres) will be deemed to be Major Site Plan application (\$43,625).

6. Additional legal fees, where required, will be borne by the applicant unless otherwise specified.

7. Condominium Secondary applies where the condominium is secondary to other planning applications as determined by the Commissioner of Planning & Sustainability and therefore, less work is required to finalize the condominium approval.

8. Major and Minor Holding Removal fees are distinguished by the scale of project and or the complexity of holding provisions that must be met as determined by the Commissioner of Planning & Sustainability.

9. Site Specific Holding Removal Special fee applies where the Town Official Plan Policies require the implementation of a development control i.e. floodplain areas and where the scale of development is determined by the Commissioner of Planning & Sustainability to be minor in nature and appropriate to a special fee designation.

10. The standard administration fee is calculated annually on files that have been inactive over the preceding 12 months. Application activity is defined as the exchange of documentation such as required plans and/or studies that addresses and satisfies municipal standards and review comments for the purposes of advancing an application to a decision point or approval to the satisfaction of the Commissioner of Planning & Sustainability.
